Details of Service	Mental Health Ireland (MHI) is a national voluntary organisation working with Mental Health Associations (MHAs) active across the Republic of Ireland. Founded in 1966, our focus has been on promoting Positive Mental Health and Wellbeing and Living Life Well for people with lived experience of mental health challenges. MHI is the longest established mental health charity in Ireland and throughout our history we and the MHAs have played a central role in reshaping how the public understand mental health issues. In our strategic plan we describe the next steps we will take to advance greater public understanding, empathy and support for people with lived experience of mental health challenges.
Reporting Relationship	National Development Manager (Community)
Informal Enquiries	National Development Manager, Mr Conor Geoghegan conorg@mentalhealthireland.ie
Position Summary	<p>Working as part of the national team of Development Officers, the Development Officer for this position will work a five-day week in Sligo / Leitrim. The essential role of the Development Officer is to deliver on the core objectives of Mental Health Ireland's Strategy. This will include supporting the establishment, operation and development of the network of local MHAs, in CHO 1, the coproduction and delivery of Mental Health Promotion projects, Recovery education / Initiatives and training for volunteers. The Development Officer will represent MHI in Sligo / Leitrim in collaboration with the HSE and other related stakeholders in the community both statutory and voluntary with the objective of working to improve the mental health and wellbeing of the population.</p> <p>The Development Officer will report to the National Development Manager (Community) and work closely with both the national office team and the Development Officer team to coproduce projects, campaigns and communication and to share expertise and unique local initiatives. The role demands flexible working hours which will necessitate some attendance at out of hours meetings/events related to the duties of a Development Officer.</p>

	<p>The applicant must have the necessary experience and capacity for lone working and to work on their own initiative. Members of the Development Officer team are also required to lead on National Projects and Programmes from time to time.</p>
The Person	<p>The successful candidate will have a minimum of 5 years' experience working in a relevant mental health and related community/voluntary sector.</p> <p><u>You will be required to have:</u></p> <ul style="list-style-type: none"> • Proven experience in mental health and mental health promotion. • A recognised third level qualification in a health and/or social care or equivalent. • A demonstrable understanding and knowledge of mental health promotion including recovery. • A proven track record of working in a team environment • Experience of promoting and sharing knowledge and skills that can benefit an organisation as a whole. • Promoting an open knowledge-sharing environment that builds knowledge, skills and service for the benefit of the organisation as a whole. • Experience of volunteering and working with volunteers. • Proven experience coproducing and delivering training and group facilitation • Commitment to the mission values & strategy of Mental Health Ireland • Knowledge of the health and social policy context in which Mental Health Ireland operates • Knowledge of how mental health services are delivered by the HSE and other providers • The ability to represent MHI across a diverse range of audiences and to build effective relationships with MHAs, HSE, service user groups, community/ voluntary organisations, cross sectoral stakeholders and the media • Evidence of, exceptional communication, networking and interpersonal skills, both verbal and written • Strong analytical skills with an ability to access information accurately, quickly and to strategically implement • Excellent organisational and ICT skills (Information Communication Technology) • A high level of motivation, experience and capacity for lone working and working on one's own initiative • To have their own car, a clean driving licence and indemnify MHI on their Insurance policy <p>The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office.</p>
The following experience is a distinct advantage	<ul style="list-style-type: none"> • Demonstrable experience of working in the mental health and voluntary sectors • Evidence of Coproducing and delivery of Mental Health Promotion and Recovery education and training workshops • Familiarity with the importance of adhering to the principles of governance.
Main Responsibilities	<p>1. Support the Development of Mental Health Associations (MHAs)</p> <p><u>The Development Officer will:</u></p> <ul style="list-style-type: none"> • Support Mental Health Associations (MHAs) and enhance the work of MHAs in Sligo /

Leitrim area reflecting the mission statement of MHI and working to the strategy of the Board.

- Work to establish new Mental Health Associations in their area of responsibility in line with MHI framework.
- Be a resource to the MHAs with the emphasis on facilitating local volunteer involvement in the delivery of agreed work and objectives.
- Provide assistance to all volunteers to perform research on data for proposed developments
- Attend meetings of MHAs – listen, advise, motivate, support, encourage and emphasis the valuable contributions volunteers can make in areas such as:
 - *Mental Health Promotion and Training projects*
 - *Supporting Peer led and Recovery initiatives*
 - *Enhancing community connection*
 - *Organisational Fitness and adherence to MHI Governance principles*
 - *Coproduction and Training initiatives*
 - *Fund-raising*
 - *Guide them with their communication with the Charity Regulator*
- Encourage MHAs to organise and promote mental health promotion awareness events – i.e., information days, seminars and national campaigns.
- Assist and encourage MHAs to enhance their profile within local communities by fostering community involvement with the possibility of attracting new members.
- Provide training and development opportunities for volunteers to enhance their skills and oversee compliance such as, Garda vetting
- Engage MHAs to organize and promote mental health ie. Information days, seminars and national campaigns.
- Work with local MHAs to ensure that all developments, events and activities align with MHI 's Strategy
- Ensure MHAs are informed and linked in with MHI national developments and attendance at MHI national events
- Support the national office team with Garda Vetting Compliance for all volunteers
- Ensure that the MHI Communication procedures and policies are followed for notable activities at local, regional and national level, including social media.

2. Training and Education

The Development Officer will:

- Coproduce and deliver agreed education and training programmes, promoting positive mental health and recovery.
- Promote and deliver on recognized, evidence based training initiatives including Mental Health & Well Being, Five Ways to Well Being, ASIST, SafeTalk, Stress Control, Recovery Principles and Practice, WRAP and other programmes as relevant.
- Lead on the coproduction of and support of Peer led and Recovery initiatives locally in association with the Recovery College / Recovery Education Services.
- Ensure the training needs meet the needs of the local communities, such as minority groups, migrants and people living in remote settings.
- Ensure the principles of recovery and co-production are embedded in facilitation design with a trauma informed evidence-based delivery style that embodies social integration, equality, diversity and inclusivity.

3. Support the coproduction and implementation of Recovery initiatives to mental health services at local, regional and national levels

The Development Officer will:

- Work with statutory partners on shared projects of mutual benefit to MHAs and service providers within the area.
- In partnership with HSE personnel and local service providers, be actively involved in mental health policy planning for the area.
- Facilitate bi-directional communication between the MHAs and MHI working closely with the national team.
- Work in partnership with other voluntary sector organisations to co-ordinate activities, to minimise duplication of effort and to work in an effective and efficient manner in line with MHI Strategy.
- Work collaboratively with established Fora in CHO 1 i.e., Recovery Colleges, Mental Health Forums, National Framework for Recovery in Mental Health, Connecting for Life Programme.
- Respond to requests for information, guidance and assistance from members of the public and signpost people to appropriate services and service pathways.
- Facilitate feedback from local communities to MHI nationally and HSE locally as required i.e., work calendar, quarterly and annual report
- Work collaboratively with MHI, MHAs and external partners to identify scalable initiatives to progress nationally.
- Support and ensure that nature based, green way or blue way health service models and/or recovery initiatives are promoted.
- Work with a myriad of partners including Traveler Community, migrants, LGBTQI+, ETB, Connecting for Life action plans.

4. Organisation

The Development Officer will:

- Promote the objectives, policies and practices of MHI by ensuring that core activities are prioritized.
- Contribute to the promotion of equality of opportunity, anti-discriminatory practice, diversity, individual rights and choice in all aspects of the work in line with MHI's Governance policies and procedures
- Conduct other administrative duties as assigned.
- Participate in relevant development and training courses as agreed with the National Development Manager
- Undertake such other duties as might be reasonably assigned from time to time in consultation with the National Development Manager and or CEO
- Adhere to any Health, Safety and Welfare risks in the workplace and bring any concerns to the attention of the National Development Manager, CEO and Health & Safety Officer.
- Submit timely, accurate and structured monthly reports.
- Contribute to organizational research capacity by recording work activities on the CRM, Salesforce always.
- Engage with regular line management supportive function such as, check ins, Performance Review Meetings and PDP's
- At all times the Development Officer will work in line with MHI's Strategic Plan and be professional in their relationship with fellow colleagues, volunteers and the agencies that support activities and developments both locally and nationally
